## Who Wore It Best?

Jennifer did!

**Ariana DeBose** strutted down the red carpet in a Valentino two-piece outfit consisting of a revealing top with pleated pants and a flowy cape that drapes the floor beautifully. Although the pants and cape are a stunning, unique touch, the top is revealing past the point of no return with a low cut and thin straps.

The stunning, effortless **Jennifer Garner** wore a dashing Brandon Maxwell dress that had the perfect neckline with a flattering bodice that draped down to the floor. A little off-the-shoulder action never hurt anybody, and absolutely completed the elegant look.

**Tracee Ellis Ross's** unique Carolina Herrera mermaid-style dress did not quite wow the crowd. The neckline was the literal downfall of this look as it did little to compliment her figure! She is such a beautiful woman, so she can do so much better!

The 2022 Oscars, also titled the 94<sup>th</sup> Academy Awards, aired on Sunday March 27, 2022, at 8:00 PM at the fabulous Dolby Theatre in Hollywood.
